12,000 SQ FT

2014 — **Poly section only**
TotalTex opens in Gazipur: three sets of machines, about twenty people, one product line.

21,000 SQ FT

2016 — **First expansion**
Still in Gazipur, the floor nearly doubles as the range grows beyond poly.

25,000 SQ FT

2017 — **Move to Zirabo**
The factory relocates from Gazipur to Zirabo, Ashulia, its home today.

40,000 SQ FT

2018 — **Scaling the floor**
The Zirabo facility expands again as the product range and buyer list widen.

66,300 SQ FT

2024 — **Present day**
66,300 sq ft, 11+ manufactured lines, 250+ people on the floor.

First buyer IRIS Group, first order poly. *Still supplied today.*

Mohammadi Group is also still supplied.

55+

GLOBAL BRANDS REACHED THROUGH OUR BUYERS

Brands the world wears.

Brands our Bangladeshi buyers ship to, reached through their export programmes.

How an order *moves.*

Six steps, from your first inquiry to repeat programmes.

01

Inquiry & sample match

Send your specification or physical reference. We counter-sample each item for your approval.

02

Quotation against your requirement

Send specifications and volumes. Your quotation states the minimum per item.

03

Colour before bulk production

We match Pantone or a physical swatch, lab-verified against your standard before production.

04

QC before despatch

In-house QC inspects before goods leave the floor. Corrective action is confirmed in writing.

05

Bonded documentation

Raw material enters under bond. Finished goods leave against export documentation with customs traceability.

06

Repeat programmes

Our bonded warehouse holds raw material and finished goods for regular and repeat programmes.

Come and *see the floor.*

Audit visits, sample requests and quotations. Talk to the Managing Director directly.
